

ANNUAL REPORT 2023-2024

I take great pleasure in presenting to you the 35th Annual Report of Angels Arc English Medium School, Kayamkulam.

This past year has been one of remarkable growth, achievement, and resilience for our school community. We've faced challenges, embraced opportunities, and emerged stronger than ever. Today, I am moving forward to share with you the highlights of our journey, the impact we've made, and the exciting plans we have for the future. This year has been exceptionally eventful for us as we have dedicated significant efforts to align ourselves with the NEP 2020 format, achieving remarkable success in most of our endeavors. In addition to preparing our students to meet rigorous academic demands, we have consistently made special efforts to equip them with the skills needed to confront the challenges of the competitive world. Our outstanding performance in SAFAL exams reflects this commitment to holistic education. It is of paramount importance to us that the students graduating from our institution carry forward the values they have inherited, excel in their chosen paths, and serve as role models in society.

ACADEMIC EXCELLENCE:-

At Angels Arc, academic excellence is at the core of everything we do. We're proud to report that our students have consistently exceeded expectations in their studies. I am pleased to announce that the students of the 2022-2023 batch achieved a 100% pass rate. This remarkable success of our students serves as a resounding affirmation of our school's academic excellence and that has filled the hearts of the teachers & students with satisfaction & pride. We are fortunate to have AYSHA NAZRIN, of Science Stream as the School Topper with 95.2% in the XII Board Exam and also secured A1 in all subjects... Gagan Gireesh Krishnan secured centum result in Computer science.(100/100) 87.5% (28 out of 32) students secured Distinctions & 12.5%(4 out of 32) students secured First Class in XIIth Board Exam. The success rate of the Xth students is also worth mentioning. BHAMA JAYAN, the School Topper with 97% and in AISSE(X). Navaneet Krishna and Pranav Padmakumar secured centum results in Science (100/100) and 4 children, Nayana Shibu, Akhilasree M, Bhama Jayan and Hitha Prasanth secured 100/100 for Malayalam. This is a proud achievement that our 7 students secured centum result. We are happy to announce that 72.9 %(51 out of 70) of the students secured Distinctions and 17.14 %(12 out of 70) students secured 90% above marks in the Xth Board Exam. Hats off and thanks to the teachers and students for their dedication and commitment.

MERITORIOUS AWARD

We have received Sahodaya school complex Alappuzha Merit award and Alappuzha MP's meritorious achievement award for our outstanding performance in the CBSE Board examination in Grade X and XII.

TEACHERS TRAINING PROGRAMMES

The teachers training programs equip teachers with techniques and modern pedagogical strategies that help them better connect with new methodology introduced by CBSE. From the month of May onwards, our teachers constantly strive to excel by attending workshops, training programs and attending various conferences and webinars. Our teachers have attended a number of offline and online training programmes to achieve 50 hours of training workshops as per CBSE norms.

The parent orientation was conducted in the month of May 2023 as preparation for the New Academic Year. We had conducted the orientation programmes for the parents of different class separately and well explained the methodology of teaching as per National Education Policy 2020.

THE ACADEMIC SESSION

The Academic Session for the year 2023-24 started from 1st June 2023 for the Grade 3rd to 12th. Grade I & II on 5th June and the KG Section new building on 15th June, 2023.

ENVIRONMENTAL PROTECTION

We are educating **say no to plastics**. We are encouraging the children to save water, plant trees, maintaining a vegetable garden and a go green pledge on environmental day.

Our aim is to make our campus a "Plastic Free Campus". We have started the campaign and achieve it by the year 2034.

SCHOOL MANAGEMENT COMMITTEE: It is important that SMCs' discussions and actions are focused on improving the quality of school programs and increasing the levels of student achievement. A proposal of introducing skating and yoga were discussed as a school development plan and came to a conclusion that we can find instructors for the next academic year. The management discussed about the next year's development plans like Shifting of the office to the new building, renovation of boy's toilet and a new stage to align with the requirement of NEP and the parent's representative supported and they told their full cooperation will be there with the management.

FUN HUB: Being the best school in this area, our school has always remained a center of great number of activities at school. Under different clubs such as Angel Talk Masters (English Club), Angel Kalika (Hindi Club), Angels Aksharathumbikal (Malayalam Club), Angel Bodmas Club (Maths Club), Angel Igniters (Science Club), Dr. Kalam Smriti Club (Social Studies), Angels Ghungroo (Dance Club), Angels Melody Corner, Angels Green Cops, GK-Angel Explorers, Karate, Angels - Sports Club were designed under the FUN HUB to motivate and enlighten the students for various activities, which is conducted on every alternate Thursdays.

ILM: The Institute of Language Management which has been accredited by National Accreditation Board for Education and Training, has stepped into the campus of Angels Arc to develop effective communication skills by training students to learn through fun recreational, relaxing, enjoyable & practical methods. Activities under ILM are helping our students to excel in their imagination & speaking skills.

PARENT TEACHER MEETING: In the beginning of the Academic year we have conducted classwise Parent Teacher Meetings and discussed all the relevant points commencing in the new academic year. During the academic year we have conducted two meetings after the first terminal examination and Second terminal examination and invited all the parents from Kg to grade 12. In the meetings we have discussed about each child's involvement in curricular, sports and co-curricular activities. Special attention has given to the needed children and we called the parents every month to discuss about their ward's improvement. Other than this we have called the Parents of Grade 10 and grade 12 and given special attention during the 1st, 2nd and 3rd stage and developed the confidence of the children to write the board exams without tensions.

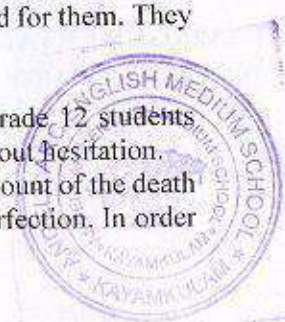

INNOVATION PRACTICES: This year we have introduced flipped classrooms where students can learn the concept at home before entering the classroom. They come up with different innovative ideas and teach in different methodology by getting new information. We make the children to write their own ideas related to the topic. It helps to get a better overall outcomes in the class environment.

PUBLIC SPEAKING: To create good orators and public speakers, which are valuable both in personal and career life. To develop these skills, Angels Arc started giving platforms to all students of all classes to speak before the crowd so as to boost confidence, personal development, make social connections, build credibility and above all to overcome stage fear through Public Speaking. School radio, Angels Talk and Tales, Angeleins are sharing their thoughts, knowledge and presenting their wonderful ideas and voice through the school radio, on every Friday, at 12.40 pm.

COMMUNITY ENGAGEMENT: Life is a celebration of the awakening of new beginnings and wonderful surprises that enlightens the soul. At Angels Arc, we have made it a point to celebrate all important days including days of national and international interest, religious festivals and commemorating world famous leaders. On account of World Environment Day our students participated in a Poster Making competition on SAVE NATURE FOR FUTURE and Vaishnavi Anurag of Grade VIII won First Prize & - Aathmaja Binu of Grade XII won Second Prize.

ORU PIDI NANMA: On account of Oru Pidi Nanma, the children visited orphanages, old age homes and the schools of gifted children and helped them by giving a lot of necessary items which are required for them. They themselves brought the things and packed it, and distributed in all places they visited.

FRESHERS DAY for grade XI was conducted to welcome our new Grade XI batch. The grade 12 students arranged handful games and motivated the juniors to come forward and face the audience without hesitation. Reading week: This year we have celebrated the reading week from June 19 to June 25th on account of the death anniversary of P.N. Panicker. By instilling an urge to read, we can groom the kids towards perfection. In order

to inculcate reading habit among children, Angels Arc took an initiative in association with Malayala Manorama to promote reading habits among children. Malayala Manorama Read and Win Quiz Competition was conducted at our school and here are the school level winners.
