## NORMS FOR FIXING FEE

School fee is fixed after considering several factors such as guidelines provided by CBSE & State Govt., Pay-scale offered in Private schools, the need to balance income & expenses of the school on an annual basis, the need for Reserve Fund, needs catering to developmental plan of the school, contingency fund and other similar issues.

The latest infrastructure provided in the school also matter much in deciding the quantum of fees and should be approved by the School Managing Committee.
